# The Colliders

A Difficult Girl

The Colliders
A Difficult Girl
7-Song EP

On Sale Here Now

The Colliders are a trio from the Washington, DC metro region who are deeply grounded in the roots of rock and roll.
The songs are artfully crafted three-minute, three-chord odes to the passion of living, covering a lot of miles of musical highway, busting boundaries and breaking limits.

Rock and Roll like it was meant to be
